Nicci POOL BAR

Why do we drink?

Nicci - roughly translated to people of victory or victorious people.

Nicci Bar offers a space for celebration, to unwind and to celebrate any victory; a toast to success to come or the victory already claimed, Nicci Bar elevates the experience by offering quality service for lasting memories for you to savor the moment of success. The experience is a sensory bridge between a sun-drenched European inspired mountain estate and the lush, ancestral soul of Bataan. Guests are greeted by an atmosphere of prestige—velvets, royal blue, gold accents, and marble—tempered by the warmth of Filipino hospitality.

At Nicci Bar, we promise an atmosphere where European luxury serves as the stage for Filipino flavors to shine. We pledge to treat every guest as a victor, through a curated journey of flavor, heritage, and uncompromising class.
